100,000+

Students and staff experience
Box Out Bullying each year.

Your children will learn:

- ★ Bystander Empowerment
- ★ What is Bullying & What is Not
- ★ Empathy & Collaboration

**Coming
Soon!
Monday,
March 2**

DEAR PARENTS,

Great news! Box Out Bullying is coming to your child's school! With a focus on bystander empowerment, this interactive assembly turns students into positive actors, equipping them with the skills to identify bullying when they see it and to step in to stop it. Parents play a key role in building a safe and positive school and community. We hope you'll join us in the effort to end bullying. *Together we can make a difference.*
